### Christmas Songs of Praise

On Saturday 17th December we raised £200 for Tearfund, who are supporting Syrian Refugees in Lebanon. We were so happy to be supported by many people from local churches.

We look forward to holding more events throughout this year.

**Walk Confidently in God's love today -**  
**extract from this month's blog**

God loves us in every season in life, whether it is great or challenging. Don't forget that He really loves each and every one of His children. His love for us is pure, trustworthy and constant in our life. He breathed life into us and sent Jesus Christ to die for our sins and rescue us. He is wanting a relationship with each and every one of us. When we receive Jesus as our Saviour, God promises us eternal life with Him. Our name is engraved in the palm of God's hand; nothing can separate us from the love of God!

Praise God that He doesn't love like the world loves – on a conditional basis – but God loves us unconditionally. We may have experienced some detrimental events throughout the course of life, but I want to encourage you today to receive God's love because He really does love you. Turn to your loving Father's arms and thank Him for His love that He has for you now and forever.

Although you may have experienced hurtful situations, God can use these for your good. God will never leave you nor forsake you no matter what you are going through. If you are living in disobedience, repent now and follow God's will, His Word and way, because God sets parameters in your life because of His love for you. A repentant heart and lifestyle is necessary for a fruitful relationship with our

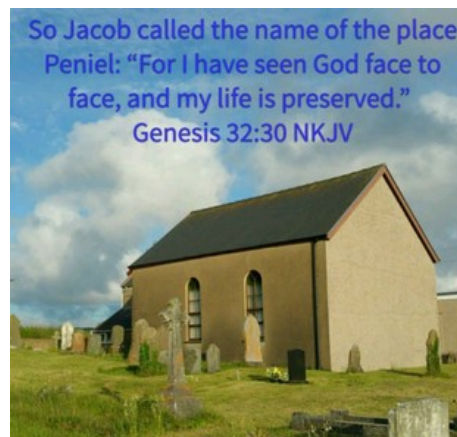

Heavenly Father.

Even in the midst of challenging situations, when we're searching for answers on why a loving God would allow trials and tribulations, trust in Him today. Nothing escapes God; He knows what is going on in your life, and when you begin to grow in a relationship with Him you will realise the truth of His love and plans for your life.

We were created for a great purpose that God specifically designed for us to fulfil. Throughout scripture God's words clearly identify His abundant love for every one of his children. God's love is exercised for each and every one of us when He forgives, protects, and demonstrates His continued grace, mercy and power in our lives.

Walk confidently in God's love today. Don't hold onto negativity; where there is hurt and upset there is the opportunity to forgive. God gave His only begotten Son to save us and forgive us. It is the greatest sacrifice for a relationship with us. He forgave us and in return we should show forgiveness to others, no matter what has happened. Receive God's love and in doing so you will learn to reflect God's love to others.

So Jacob called the name of the place  
Peniel: "For I have seen God face to  
face, and my life is preserved."
